

The County of San Diego Department of Public Works invites resumes from top-level executives and managers with extensive professional land surveying experience at the management level. The incumbent will report directly to the Assistant Director of Public Works and will have significant responsibility for overseeing all aspects of land surveying, including GIS.

The individual appointed to this position will plan, organize, and administer the activities of approximately 50 staff with a budget of nearly \$6 million dollars, engaged in development and management of the County's Field Survey, GIS, Cartographic Services, Survey Records and Land Development permit processing programs, all in compliance with federal, state and local laws.

The incumbent will also administer the online Automated Survey Records and Research and Retrieval System and the new San Diego County GPS Real Time Network.

QUALIFICATIONS

Top competitors for this position will have extensive land survey management experience. The successful candidate will have at least five years of senior-level professional land surveying experience.

A bachelor's degree from an accredited college or university in land surveying, engineering, business, public administration or a closely related field is highly desirable. A California registration as a professional land surveyor or a professional civil engineer authorized to practice land surveying is required.

Excellent interpersonal and written communication skills are essential to work in collaboration with elected and appointed executives within San Diego County government, the region's cities, and to confront and solve long-range public works and land surveying issues. Proven leadership and the ability to assess and formulate strategies, and advise upper management will be essential to success in this position. The successful candidate must also demonstrate familiarity with the County's General Management System (GMS).

FILING DEADLINE AND SELECTION PROCESS

Resume submittal forms with attached resumes should be received in the Department of Human Resources no later than **5:30 p.m., FRIDAY, SEPTEMBER 22, 2006**. Resumes should include academic degrees and professional registrations held and dates conferred; employment history including dates of

service, position title and salary; and names and telephone number of employers. For each employer listed and position held, please describe your level of responsibility with extensive professional land surveying experience at the management level.

Submittals will be kept confidential and candidates will be kept informed of their status during the selection process. In the event a large number of applications are received, an evaluation board will be convened to review submittals and identify top competitors. Only candidates with backgrounds best meeting the needs of the County will be passed on for selection consideration.

COMPENSATION AND BENEFITS

The negotiable salary at the time of appointment is expected to be between \$100, 000 - \$105,000. Annual salary reviews are performance-based and goal-oriented.

The management benefit package includes:

- Fifteen days paid vacation; thirteen days paid sick leave and thirteen paid holidays.
- Retirement plan integrated with

OASDI.

- Medical, dental and vision insurance plans.
- Life Insurance and Accidental Death and Dismemberment Insurance
- Flexible Benefit Package – a monthly credit may be used to select benefits from a group of options.
- Deferred Compensation Plan.
- Relocation Allowance.
- Membership in the San Diego County Credit Union.

SPECIAL NOTES

Persons serving in the Unclassified Service do not accrue tenure and serve at the pleasure of the appointing authority.

The provisions of this job announcement may be modified or revoked and do not constitute an expressed or implied contract. Qualified women, minorities, and persons with disabilities are encouraged to apply. Disabled persons may make accommodation arrangements by contacting the Department of Human Resources.

ABOUT THE REGION

San Diego County is California's oldest county and is home to 2.7 million residents of diverse cultural, economic, and racial backgrounds. The area encompasses 4,300 square miles with 70 miles of Pacific Ocean beach, two beautiful bays, several mountain ranges and a breathtaking desert. The County area is 65 miles from north to south and 86 miles from east to west. The year-round climate is mild with an average annual temperature of 63 degrees, sunshine 70% of the time, and annual rainfall of 10 inches.

World renowned tourist attractions include the Wild Animal Park, Sea World, Palomar Observatory, and the San Diego Zoo located in magnificent Balboa Park. The region is home to professional sports teams including the Chargers (football) and the Padres (baseball).

The arts - music, dance, opera, art film and museums - are abundant. Cultural attractions include the San Diego Symphony, San Diego Opera, the Old Globe Theater, the Civic Light Opera, the Master Chorale, the Chamber Music Society, and the La Jolla Playhouse. Museums include the Museum of Art, Natural History Museum, Aerospace Museum, and the Space Theater and Science Center.

The cultural ambiance is enhanced by a number of colleges and universities, including San Diego State University, the University of California at San Diego, and the University of San Diego. One in four residents has a college degree. With several Nobel Prize winners among its residents, San Diego is home to some of the world's leading bioscience research and development institutions, including the Salk Institute, Scripps Research Institute, and the La Jolla Cancer Research Center.
